### Preamble

GOOD EVENING

This is (*your NAME*), *WHISKEY SIX VACA VALLEY RADIO*, net control for the VACA VALLEY RADIO CLUB NET.

This net meets every Tuesday night at 7:00 PM on the WD6BUS VVRC repeater.

This is an open net and visitors are invited to check in after club roll call.

If you wish to make a contact or have anything for the net, please use Net Control.

Break the net at any time if you have emergency or priority traffic.

(Pause)

I will now call on our club President, **Ralph**, for any club news or updates. **KA6FDI** this is W6VVR Net Control.

(Pause)

Are there any club Officers, Board Members or Committee Chairpersons that have anything for the net?

(Pause)

We will now give anyone the opportunity to request Amateur Radio assistance. The request for assistance can be either technical such as programming a hand held or physical such as putting up or taking down an antenna. When making your request please give your name, call sign and a brief description of the assistance desired. Members who can assist should inform Net Control during roll call. All interested parties can then get together after the close of the net to work out the details.

Is there anyone needing assistance at this time?

(Pause)

Before proceeding with roll call we wish to send our greetings to Frances, KA6ELP who is listening, but unable to check in.

This is W6VVR Net Control. Club Roll Call follows:

(Use latest Club membership list for roll call)

Are there any late or missed Club member check-ins?

(Pause)

Are there any visitors wishing to check into the net? If so, please give your call sign, name, location and if you have anything for the net.

(Pause)

This concludes the formal portion of the net. All amateurs are welcome to use the repeater for informal contacts after the net is closed.

This is WHISKY SIX VACA VALLEY RADIO closing the club net for this evening. Thanks for checking in. Hope to see you next week. 73
